Internships & Practicum

Gulf Bend Center offers internships and practicum opportunities. This is a great way to gain relevant experience in the behavioral health and/or intellectual & developmental disability career field as well as having the chance to try out one or more careers by getting a behind the scenes look at what it's actually like working in the field! You can also begin building important connections that are invaluable to developing and maintaining a strong professional network for the future.

If you are interested in becoming an Intern or Practicum Student at Gulf Bend Center, please visit www.gulfbend.org to complete an application or pick one up from our Human Resources Department located at 6502 Nursery Drive, Suite 100, Victoria, Texas 77904. Contact Human Resources at 361.575.0611, ext. 368 for more information.
